

Our Find Care tool makes it easy to find in-network providers in your neighborhood and anywhere in the country.

Blue Cross of Idaho works with healthcare providers who agree to provide services at discounted rates to help save you money. When you see an in-network provider, you get the most out of your health benefits. You can visit an out-of-network provider, but you may pay more out of pocket. Follow the steps below to find an in-network provider.

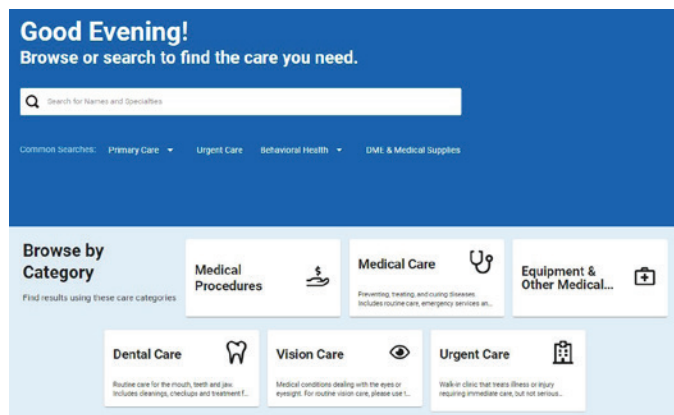

## STEP 1: LOG IN

Log in to your member account at [members.bcidaho.com](https://members.bcidaho.com) and select **Find Care**.

## STEP 2: SEARCH FOR A PROVIDER

Search for a provider by entering a name or specialty in the search bar. You can also start by selecting the type of care you are looking for, such as dental care or urgent care.

## STEP 3: REFINE YOUR SEARCH

Use filters to help narrow your search results. You can sort by location, gender, rating and more.

## STEP 4: CHOOSE A PROVIDER

Select a healthcare provider to see if they are accepting new patients, what networks they accept, read reviews and more.

## STEP 5: MAKE AN APPOINTMENT

Make an appointment with the provider of your choice by calling the practice or facility number provided. Be sure to ask if the provider is in network when making an appointment or checking in. Bring your Blue Cross of Idaho member ID card with you to your appointment.
